

Traffic Management Policy

Our commitment

AMH Civil and leadership is committed to mitigating traffic impacts and ensuring the safety of employees and public in live traffic environments, and reducing risk of exposure to .

Traffic Management in practice

Operate in accordance with our values, policies, minimum requirements and procedures and provide the framework for setting, reviewing and improving traffic management planning and outcomes during works.

Comply with Work Health and Safety acts and all other applicable laws, regulations, codes of practice and standards that may impact traffic management in the workplace.

Engage and consult with qualified and recognised authorities, consultants, and subcontractors for planning, approval and implementation of Traffic Management as appropriate.

Ensure appropriate staff and workforce Traffic Management training to ensure the safety, adequacy and compliance of traffic management planning and establishment on site.

Provide Traffic Management resources as and when required with sufficient experience as required to identify traffic management needs and for the planned activity

Consult with our employees and sub-contractors on matters relating to workplace health, safety and welfare

Ensure appropriate traffic management information is disseminated to employees, sub-contractors and visitors in the workplace

Ensure prevention of workplace related traffic management incidents and disruptions.

Apply an integrated risk management system which ultimately seeks to eliminate and control traffic management hazards through the business lifecycle.

Establish standards of performance, measurable objectives and targets to track our success

Ensure all incidents are reported and fully investigated to identify all causal factors

Undertake regular audits and inspections of our workplaces to improve, maintain and verify compliance.

Empower employees and sub-contractors to cease work where there is a threat to the safety of themselves or others.

A handwritten signature in black ink, appearing to read 'JM' or similar initials, written over the name 'Joseph Mansell'.
